- Principles and practice of non-medical aesthetic therapies
- Advanced consultation for non-medical aesthetic therapies
- Advanced skin care for non-medical aesthetic therapies
- Provide skin peeling treatments

### What Will I Study?

Throughout this
qualification, learners will develop their knowledge and understanding of relevant anatomy and physiology and health and safety pertaining to Level 4

Non-Medical Aesthetic Therapies.

They will also
develop the knowledge, understanding, and skills to consult with and analyse clients while providing skin peeling treatments.

In
parallel, learners will develop their communication and customer service skills, widening their knowledge of the principles and practices of Level 4 Non-Medical Aesthetic Therapies, all of which are valued highly by employers.

## Why Study Here?

On this course, you will:

- Learn from industry-experienced and well-qualified tutors who have spent many years in the beauty industry and have specialist qualifications and knowledge to bring to their teaching
- Access the state-of-the-art salon facilities and equipment
- Take part in cross-campus events and charity fundraisers
- Hear from a range of guest speakers from the beauty industry
- Acquire new skills and enrichment specific to the beauty industry

## Entry Requirements
