Performing Arts and Music

UAL Level 2 Diploma Music Performance and Production

Campus: Rotherham College
Code: R02SP01

About This Course

This one-year course will help you develop the skills necessary to get on the music industry career ladder. You will develop your confidence as a musician or music technologist so you can go on to perform, produce or study further with us. You will learn about musical theory, music business and work towards a series of live public performances or studio productions.

You will develop your performance skills by undertaking or performing a technical role in a number of performance projects culminating in a series of live public performances. This course is one or two years long.

What Will I Study?

You will study a range of topics including:

- Music theory
- Studio recording
- Live performances
- Composition
- Music business

Why Study Here?

- Work in the Roland Academy with industry-standard equipment and software
- Gain vital work experience by participating in live public performances
- The course has excellent academic success rates and prides itself on how students secure a range of employment opportunities or move on to study at Level 3 upon completion

- Teamwork is pivotal to the modern music industry and our programme is specially designed to enable students from technology and performance pathways to study together and combine your skills

Entry Requirements

- Four GCSEs at grade 3 or above including English and Maths or a Level 1 qualification in music
- A competent practical knowledge of your instrument or music technology
