Health and Social Care

Progression to Further Study in Health Science Professions

Campus: Rotherham College
Code: R08AC04
Level: 2

About This Course

This will provide you with knowledge and understanding of some key aspects of health and social care and also equip you with a range of study skills to support progression to higher levels. Upon successful completion of the course and achievement of Maths and English GCSE or equivalent you will be able to progress to Access HE Level 3 study.

What Will I Study?

You will study a range of topics including:

- Developing personal confidence and self-awareness
- Health Promotion in care settings
- Healthy Living
- Understanding ageing and the older person
- Developing a personal exercise programme
- Stress and stress management
- Family relationships
- Research skill
- Presentation software and Data Handling
- Understanding Mental Health
- Human Health and Disease

Why Study Here?

- Learn from industry-experienced and well-qualified tutors who have spent many years in the HSC sector, and have specialist qualifications and knowledge to bring to their teaching and support your progression

- Participate in activities to boost your skills and confidence
- Hear from a range of guest speakers when available
- Build your skills, knowledge and behaviours to progress to higher levels of study
- There is also the opportunity to study for English and Maths qualifications if you do not already hold them at the required level.
