

September 2023

Dear Parent/Carer

I hope you are well.

We have had a really positive and successful start to the term here at Dearne Valley College with a fun packed induction week where students had an opportunity to try new activities, get to know their college and finally meet other students on their course.

The main focus will be on attendance because we know good attendance leads to high achievement, with high achievement leading to good career prospects. We would ask you to encourage your young person to attend all their lessons as this means they won't miss vital work during the lesson.

We have dedicated tutors and attendance and pastoral officers available and keen to support your young person with their course and ensure a successful outcome so do remind them to ask for help if they need it.

Our Student Absence line for Dearne Valley Campus is:

**Dearne Valley Campus: Phone: 01709 513153 Text: 07860064438**

Thank you again for your support and encouragement. With your support, our support and the willingness of your young person to attend each of their lessons and complete their work, we know they can achieve anything.

With best wishes

Yours sincerely

*Debra Adams*
