

# Art, Graphic Design and Fashion

## Award in Fashion - Sewing Machine Skills

**Campus:** Rotherham College

**Code:** RACAR006#

**Level:** 1

### About This Course

This course is for students who want to develop their skills in fashion design.

### What Will I Study?

You will study a range of topics including:

- Working safely and effectively using a sewing machine and accessories
- Knowing the functions, controls, and features on a sewing machine
- Knowing the characteristics of materials required to make samples
- Producing samples using a sewing machine

### Why Study Here?

You'll learn in fantastic facilities including our fashion studios, using printing resources and machining equipment.

Taught by a top team of talented and specialised staff, we have links with several industry specialists.

We pride ourselves on providing a supportive and constructive environment.
