

Construction

Joinery

Campus: Dearne Valley College

Code: DFECN009

Level: 1

About This Course

This course focusses on developing knowledge skills and behaviours transferrable within the Carpentry Sector.

This course allows progression opportunities to Level 2 in Carpentry or Joinery or an Apprenticeship.

What Will I Study?

You will study a range of topics including:

- Principles of Building Construction, Information and Communication
- Health, Safety and welfare in Construction
- Maintain and use Carpentry and Joinery Hand Tools
- Prepare and use Carpentry and Joinery Portable Power Tools
- Produce Woodworking Joints.

Why Study Here?

You will learn from passionate industry experienced tutors that make learning energetic and rewarding in state-of-the-art workshops.

Work

experience will develop knowledge gaps of working as a team. Independent thinking, reflective practice, communication, customer care, problem solving and organisation skills will be developed.

Enrichment activities are planned to provide a holistic approach to ensuring you have the opportunity for personal and professional development.

A series of skills workshops are designed to provide opportunities for you to increase your practical knowledge and skills, typically alongside Maths and English and Employability to enable progression.

There is a variety of competitions to get involved with including the Skills Show at NEC Birmingham, World Build Skills Competition and Inter-College Competitions.
