

Art, Graphic Design and Fashion

Diploma Creative Digital Industries - Graphics, Media & Photography

Campus: Rotherham College

Code: RFEMP002

Level: 2

About This Course

The Media and Photography Level 2 course will provide you with an insight into all aspects of Media and Photography and allow you to develop your practical skills and understanding.

This course will enable you to develop your skills through a series of projects; encouraging the development of ideas, experimentation with visual language and technical skills.

You will be introduced to the work of historical and contemporary photographers and filmmakers which will influence and inform your personal and creative development. Through a varied and exciting range of different assignments, you will start to develop your own visual language and build a creative portfolio.

You will work on numerous projects incorporating all of the skills listed below. This may include live client briefs, work experience opportunities and personal projects. You will produce work to be exhibited at the end of the year and will be encouraged to enter your work into national competitions.

What Will I Study?

You will study a range of topics including:

- Studio photography
- Traditional photography
- Image / Video Editing Techniques
- Digital photography
- Media production techniques & processes
- Audio skills

- You will create a professional portfolio for progression onto one of our level 3 courses

Why Study Here?

- On this course, you will work within industry-standard facilities, taught by industry professionals who will guide you on your journey to becoming a creative practitioner
- You will have access to our studio spaces, traditional darkroom, editing suites.
- You will develop your understanding of Canon and Nikon cameras and the Adobe Creative Suite.
- Each year our students have opportunity to attend residential trips which have included visits to Madrid, London, the
- Peak District as well as visits to national galleries and photography festivals
- You will develop employability skills and participate in real life lens-based work experience.

Entry Requirements

- Four GCSEs at grade 3 or above, ideally including English or maths.
- A completed Level 1 qualification in an arts-related subject
- A portfolio of media / photography-based work
