## Award in Digital Development

**Campus:** Rotherham College
**Code:** RACCD003
**Level:** 2

## About This Course

The qualification offers learners an introduction to
programming/coding in Python with an opportunity to consolidate those skills,
alongside a range of digital skills and other skills valued in the
workplace.

## What Will I Study?

You will produce a portfolio of small programming
projects, one of which will be as part of a team, and will host those projects
on a Git-based code sharing platform.

## Why Study Here?

State-of-the-Art Facilities: Immerse yourself in a
cutting-edge learning environment. Benefit from our well-equipped labs and
access to the latest industry standard software, technology and
resources.

We understand the importance of balancing learning with
other commitments, our course offers flexible scheduling allowing you to learn
at your own paces without sacrificing quality or depth.

## Entry Requirements

Interest in coding, programming and information technologies.

## How To Apply

You can apply using our online application form and clicking the **Apply Now** button at the top of this page.
