

English and Maths

Entry 3 Essential Digital Skills

Campus: Rotherham College

Code: RACEM002

About This Course

Designed for adults with no or little prior experience of using digital devices or the internet.

The Essential Digital Skills framework defines the digital skills adults need to safely benefit from, participate in and contribute to the digital world.

This qualification supports the development of key digital skills such as using devices, creating and editing digital media, using technology to communicate, buying and transacting online, and how to stay safe when using technology.

What Will I Study?

You will study a range of topics including:

- Using different devices
- Creating and editing digital media
- Buying goods online
- Developing digital skills
