

Animal Care and Land-based Industries

Animal Care & Landbased Studies

Campus: Dearne Valley College

Code: DFELB001A

About This Course

Developed in consultation with employers in the animal care sector, this year long course enables you to develop behaviours and skills for success when applying for work. It reflects the skills and knowledge needed to do a job effectively and shows that you will be competent in Animal Care.

You will be working with employers and at college with a variety of animals, developing your knowledge about animal health and care. You will be supported by our experienced staff to ensure you gain the best practices to take with you throughout your career.

What Will I Study?

You will study a range of topics including:

- Practical Animal Health
- Introduction to Animal Biology and Health
- Animal Care Work Placement
- Animal Welfare
- Animal Behaviour Assessment and Safe Handling
- Feeding, Accommodation and Moving Animals.

Why Study Here?

- During your studies, you will be able to make full use of the College's working animal collection
- Employability skills, with excellent links with employers in industry. You will be required to carry out at least 75 hours of practical real-life work experience in industry.

Entry Requirements

4 GCSEs at Grade 3 or above to include English and Maths or A Level 1 Vocational Qualification plus English and Maths at Functional Skills Level 1

Mature learners with related work experience will be evaluated on an individual basis
