

Construction

Carpentry and Joinery Apprenticeship

Campus: North Notts College - Worksop Campus

Code: NFECN010#

Level: 3

About This Course

Working towards a Level 3 NVQ Diploma in Wood Occupations, you will specialise in either Site Carpentry or Architectural Carpentry. You will be given the opportunity to achieve nationally recognised qualifications, whilst gaining practical skills within the work place.

You will also work towards your qualifications whilst attending college one day per week for your practical and written assessments.

What Will I Study?

Health and Safety

Understand the programme and work schedule for their work area and plan work accordingly

Develop and maintain good working relationships with managers, supervisors and colleagues

Determine the best way of carrying out work and ensure this is communicated clearly to colleagues

Interpret Technical Specifications and ensure compliance with Legislation/Guidance relevant to the work being completed

Select the required quantity and quality of resources required for carrying out complex and non-standard work including timber, tools and fixings

Leadership

Creating a safe and healthy working environment

Understand how to consider complex environmental and task related challenges

Understand how to access data needed to plan and execute work tasks accurately, an understanding

of Building Information Modelling (BIM.) and its impact on construction projects

Why Study Here?

- You will work with employers to gain hands-on experience in your industry and earn a salary while you learn
- You will learn from our industry-experienced tutors
- You will be taught in purpose-built, industry-standard facilities
- You'll participate in industry competitions such as Skill Build, World Skills and Inter-college challenges
- You will learn new skills, knowledge and behaviours and be able to transfer these skills
- You will have access to a highly qualified functional skills team
- You will have access to all College facilities and be issued with a student card

Entry Requirements

- GCSE English and maths (A-C) or Level 2 Functional Skills qualifications
- You would normally be expected to have completed a Level 2 Apprenticeship in Joinery or a Level 2 qualification in Joinery
- Other relevant experience and qualifications will be considered on an individual basis
- You will also undertake initial diagnostic tests and interview before starting the course
