## T Level Foundation: Health & Science

**Campus:** North Notts College - Worksop Campus

**Code:** W08TP03

**Level:** 2

### About This Course

The T Level Foundation Year is a 16-18 study programme specifically designed to develop the skills, experience, knowledge and behaviours to support progression onto a T Level.

It is a one-year programme aimed at young people who are not quite ready to start a T Level but have the potential to progress onto one.

### What Will I Study?

There are 5 elements to the T Level foundation programme:

- **Diagnostic and guidance section**

This is to help us assess the capability and support needs to tailor the individual support for the foundation year and help you progress onto the T Level programme.

- **English and maths**

If you have not achieved a GCSE English and maths at a grade 4, you will have general and tailored sessions to help you achieve the required level.

- **Work preparation and employability skills**

To support you in developing the skills, behaviours, attitude, and confidence that will be needed for students to complete the T Level Industry Placement.

- **Introductory technical skills**

These are the core skills and concepts that you will need in order to prepare for the next level.

- **Pastoral support and personal development**

This is support you to become a well-rounded individual as well as support the development of study skills, reflective and resilience skills.

## **Why Study Here?**

On this course, you will:

- Learn from industry-experienced and well-qualified tutors who have spent many years in the health and social Industry, and have specialist qualifications and knowledge to bring to their teaching.
- Access the state-of-the-art facilities and equipment.

- Take part in cross-campus events and charity fundraisers.
- Hear from a range of guest speakers from the health and social care industry
- Acquire new skills and enrichment specific to health and social care such as first aid at work, manual handling and health and safety at work.

## How To Apply
