Business, Accounting & Retail

BA (Hons) in Business Management

Campus: University Centre Rotherham
Code: U12HE01
Type: Full Time

This course covers the main functional areas of Business so is broad in approach and will provide diverse employment opportunities across business disciplines.

Enterprise is also a focus of the course for a creative approach towards business and for those considering self-employment.

Why Study With Us?

Study at Level 4 (Year 1) and Level 5 (Year 2) will focus on the underpinning business knowledge required to understand how business disciplines interrelate. Level 6 (Year 3) will develop acquired knowledge and abilities to not only become an effective Business Manager, but also the entrepreneurialism to develop a start-up business.

The final year of the programme will develop research, and effective writing of the practical skills utilised to plan a business venture. Each student will develop a business plan and focus on a specialism in either Marketing, Human Resources Management or Accounting. Each student will write a dissertation on the practical skills used and the research required to develop a business venture and to execute it.

This course is validated by the University of Hull [https://www.hull.ac.uk] .
