T Level in Business and Finance

Campus: North Notts College - Worksop Campus

Code: W12TP03

Level: 3

About This Course

This T Level is a career focused programme for learners who want to work in finance, accounting, banking, and business services. It combines academic study with real business experience so you develop the knowledge, skills, and professional behaviours needed to work in financial and commercial environments.

What Will I Study?

You study core business and finance principles including financial accounting, management accounting, budgeting, forecasting, taxation, business law, ethics, and data analysis. You also learn how organisations manage money, make financial decisions, and meet regulatory and compliance requirements. A major part of the programme is an industry placement in a finance or business setting where you apply your learning to real tasks such as analysing costs, preparing reports, and supporting financial operations.

How To Apply

You can apply by using our online application form and clicking the **Apply** button at the top of this page. For more information or support, please contact Student Services by emailing contact@nnc.ac.uk [mailto:info@rotherham.ac.uk] or by calling **01909 504500**.

Additional Information

You gain real work experience in finance departments, banks, accountancy firms, and business organisations. The course focuses on building the technical, digital, and professional skills needed to work accurately, ethically, and confidently in finance and business environments
