Construction

HN Flex - Construction

Campus: University Centre Rotherham
Code: U07HE02
Type: Part Time

About This Course

HN Flex is the new way to study and develop high level skills which will enhance your career. It is a bitesize way to achieve an HNC/D in your chosen subject area which enables you to study at your own pace in concentrate on one element at a time, as opposed to simultaneously completing several units at once.

What Will I Study?

The units that you can study as part of our Construction provision are as follows:

- Science and Materials
- Principles of Refurbishment
- Principles of Alternative Energy
- Legal and Statutory Requirements in Construction
- Site Supervision and Operations
- Surveying and Measurement

Why Study Here?

The University Centre Rotherham is a purpose-built centre for higher education which promotes a fantastic learning environment. With state of the art facilities and highly skilled, industry specialist staff, the UCR is a brilliant environment to grow and develop.

We have recently invested in a brand new, state of the art Construction centre at our Rotherham Campus which gives students access to an exciting learning experience that enables them to develop high level skills and knowledge in and industry leading facility.

Entry Requirements

Applicants must be over the age of 18 and a full level three in a Construction subject area. For those individuals that do not hold a level three but have relevant industry experience, applications will be taken on a case by case basis.

How To Apply

You can apply using our online application form and clicking the **Apply Now** button at the top of the page or contact 01709362111 for more details
