## Certificate in Mental Health Awareness

**Campus:** Dearne Valley College

**Code:** D08SA02

**Level:** 2

### About This Course

This qualification aims to raise awareness of mental health and a range of mental health conditions. It is designed to increase your understanding of mental health, the causes of mental ill-health, and how to effectively support individuals experiencing these challenges.

### What Will I Study?

You will successfully complete 10 mandatory units. Topics of study include:

- Understanding what is meant by mental health and mental ill-health.
- Understanding stress, anxiety, phobias, and depression.
-

Understanding conditions such as bipolar disorder, schizophrenia, and dementia.

- The impact of mental health conditions on individuals, their families, and society.

## Why Study Here?

You will benefit from a flexible, part-time hybrid learning approach that allows you to balance your studies with other commitments while gaining a nationally recognised NCFE CACHE qualification.

## Entry Requirements

You must be aged 16 or over to undertake this qualification. There are no specific prior qualifications required, although it is beneficial if you have previously achieved a Level 1 qualification in a health, social care, or mental health-related area.
