Certificate in Understanding Climate Change and Environmental Awareness

Certificate in Understanding Climate Change and Environmental Awareness

Campus: Distance Learning
Code: DLAC038
Level: 2

About This Course

This qualification covers the nature of climate change and the role that individuals, businesses and other organisations play in helping to reduce carbon emissions. This

course gives the knowledge and understanding for individuals to act as drivers of positive change within the workplace and at home.

What Will I Study?

You will study a range of topics including:

- Climate change, Sustainability, and Environmental Protection
- Industry and the Environment
- Resource Efficiency and Waste Management

Why Study Here?

- Learn from industry-experienced and well-qualified tutors who have spent many years in the Social Care sector and have specialist qualifications and knowledge to bring to their teaching
- Learn from your own home, in your own time
- Achieve a nationally recognised Level 2 qualification
- Access to award winning learning and assessment materials
- Access to a Learner Support Advisor for everyday queries

Entry Requirements

To be eligible to undertake our free distance learning courses you must meet the below criteria:

- Living in the UK and aged 19+
- If you are aged 19-23 you must hold a full Level 2 qualification and not currently enrolled on an apprenticeship
