Certificate in Cleaning Principles

Certificate in Cleaning Principles

Campus: Distance Learning
Code: DLAC039
Level: 2

About This Course

If you’re starting a career in the cleaning industry, the Level 2 Certificate in Cleaning Principles is the best way to brush up on your skills and show your competency to employers in one of the largest business sectors in the UK. You will know the difference between routine and non-routine waste and the best products to use to get the cleanest, freshest look that customers love. You’ll learn how to use and dispose of chemicals, and why health and safety must be at the forefront of everything you do.

What Will I Study?

You will study a range of topics including:

- Develop knowledge of generic and specialist cleaning principles
- Gain awareness of practical techniques
- Learn how to work with customers
- Learn health and safety requirements

Why Study Here?

- Learn from industry-experienced and well-qualified tutors who have spent many years in the Social Care sector and have specialist qualifications and knowledge to bring to their teaching
- Learn from your own home, in your own time
- Achieve a nationally recognised Level 2 qualification
- Access to award winning learning and assessment materials
- Access to a Learner Support Advisor for everyday queries
