Media and Photography

UAL Level 2 Award in Creative Media Production & Technology (Photography) (R0AC01)

Campus: Rotherham College
Code: R03AC01

About This Course

This hands-on 15-week course is your gateway into the world of creative media and photography. Whether you're capturing moments through a lens or crafting compelling media for an audience, you'll develop real industry skills, experiment with professional tools, and learn how to shape your ideas into powerful visual stories. Choose your pathway, build your portfolio, and gain the confidence to communicate creatively with any audience.

This course challenges you to explore, experiment with, and apply a range of production processes and skills in Media or Photography. You will research different audiences, test creative methods, and produce a final media or photographic outcome tailored to a chosen audience. Reflection and evaluation are key throughout this process. This is a 15-week course. Each period will be dedicated to one specialisation, where you will obtain your Level 2 Award qualification, Skills and knowledge around Media or Photography.

What Will I Study?

- Photographic processes and approaches
- Kit and equipment (get to know your camera)
- Settings
- Lighting (Both natural and Studio)
