Computing and Digital

National Diploma in Creative Media Practice

Campus: North Notts College - Worksop Campus
Code: W04SP06
Level: 3

About This Course

This course will give learners opportunity to explore and develop skills in creative media, such as photography, video editing, digital art, game creation etc. Students will undertake practical assessment projects. Year 1 is worth 1.5 A levels, and then students would continue to year 2 to complete the Extended Diploma topping up their grades to a value of 3 A levels, allowing students to then study at university.

What Will I Study?

You will study technical and artistic elements of media, looking at a range of skills and technologies to create various media forms. You will create 2 major projects each year that will showcase your skills and development. You will also write about the technical elements of your work and research.

Why Study Here?

We have brand new facilities and computers including;

- professional cameras
- 3D printers
- green screen
- VR headset
- graphics tablets

and taught by a media professional who also has his own media company.

How To Apply

Through the college website or pop into college to book an interview.

What Courses Can I Progress Onto?

University media courses

Tuition Fees
