Engineering

Diploma in Vehicle Fitting Principles

Campus: North Notts College - Worksop Campus
Code: W06SP04
Level: 2

About This Course

Take your workshop skills to the next level by advancing from basic maintenance to specialist vehicle fitting and repair. Building on your foundational knowledge, you will service and repair steering, suspension, braking, and electrical systems while expanding your expertise in hybrid and electric vehicles. Combining advanced practical competence with essential business and enterprise skills prepares you for employment, an apprenticeship, or Level 3 study.

What Will I Study?

Throughout this course, you will explore: â?¢ Health and safety, workshop tools, and engineering principles â?¢ Routine vehicle maintenance and servicing â?¢ Wheel and tyre systems â?¢ Steering and suspension systems â?¢ Automotive electrical systems â?¢ Braking systems â?¢ English and maths (where required)

Why Study Here?

While studying here, you will benefit from: â?¢ Training in modern workshops with industry-standard equipment â?¢ Learning directly from experienced automotive professionals â?¢ Work experience placements in local garages â?¢ Attending motor vehicle industry events â?¢ Hearing from automotive guest speakers

Entry Requirements

To qualify, you will need: â?¢ GCSE Maths at grade 4 and English at grade 3 (minimum) â?¢ A suitable Level 1 qualification or relevant experience â?¢ Successful completion of an interview with a course tutor

How To Apply

You can apply using our online application form and clicking the Apply Now button at the top of this page. For more information or support with your enquiry or application, please contact Student Services by emailing contact@nnc.ac.uk or calling 01909 504500.

What Courses Can I Progress Onto?

Upon successful completion, you could progress into courses such as: â?¢ IMI Level 2 Sub Diploma in Vehicle Maintenance and Repair â?¢ IMI Level 2 Autocare Technician Standard Apprenticeship â?¢ IMI Level 3 Automotive Maintenance and Repair Technician Standard

Tuition Fees

If you are aged 16â??18, your course is usually free. Those aged 19 or over may not need to pay fees depending on their circumstances.

For further advice, funding eligibility, or guidance, please contact Student Services on 01909 504500.

Additional Information

You will be required to provide protective steel toe capped footwear and overalls

PLEASE NOTE

We make every effort to ensure information within
our online course directory is accurate and a true representation of the courses we are offering in 2027-28. However, we do reserve the right to make changes if necessary.
