About This Course

The T Level Foundation Year is a 16-18 study programme specifically designed to develop the skills, experience, knowledge and behaviours to support progression onto a T Level.

It is a one-year programme aimed at young people who are not quite ready to start a T Level but have the potential to progress onto one.

What Will I Study?

Diagnostic and guidance session, this is to help us assess the capability and support needs, to tailor the individual support for the foundation year and help you progress onto the T Level programme.

English and maths, if you have not achieved a GCSE English and maths at a grade 4 you will have general and tailored sessions to help you achieve the required level.

Work preparation and employability skills, to support you in developing the skills, behaviours, attitude, and confidence that will be needed for students to complete the T Level Industry Placement.
