Early Years and Education

Early Years Pathway

Campus: North Notts College - Worksop Campus
Code: W09SP02

About This Course

You will explore the growth and development of young children, various job roles within the early years sector, and how to design activities that promote children's development. Additionally, you will develop personal learning skills, gain an understanding of equality, health and safety, and enhance your communication abilities.

What Will I Study?

- Plan learning activities to support children's development
- Prepare environments for learning activities to support children's development

- Develop strong digital literacy and aptitude with the latest technology

- Gain understanding of the Early Years and Education sector

Why Study Here?

This course introduces students to the early years sector, whilst developing your English, maths and digital competencies.

Course Benefits:

- **Expert Tutors:** Learn from qualified tutors with extensive experience in the early years sector, providing industry-relevant insights.

- **Work Experience Opportunity:** Gain hands-on experience in nurseries, schools, and childminding services, crucial for building employability skills and confidence.

- **Cross-College Events:** Participate in collaborative events with peers to share experiences and enhance skills.

- **Guest Speakers:** Attend sessions featuring experts from various early years fields, offering valuable insights and networking opportunities.

- **Strong Links with Early Years Settings:** Benefit from established connections with a variety of settings, including nurseries and special schools, to explore diverse career pathways.

Entry Requirements

GCSEs at grade 2 including English and maths.

Successful interview with a course tutor and a character reference.

A positive attitude towards learning and progression.
