Computing and Digital

Transition into Esport

Campus: Dearne Valley College
Code: D04SP03
Level: 1

About This Course

This course is designed for students with particular interest in gaming.
This course is aimed at meeting the upcoming demand for skills in the Esports Industry.
This qualification will allow you to gain knowledge, develop technical and transferable skills, and gain experience in a variety of different sectors of the esports industry.
The Esports course offers a unique opportunity to study a sector that crosses over multiple subject areas such as IT, sports, enterprise, marketing, business and the creative industries.
You will gain knowledge and skills of Esport through a series of well planned classroom based and practical based sessions, exploring health wellbeing and fitness, shoutcasting, live streaming and broadcasting and esports events.

What Will I Study?

Students will develop knowledge skills and behaviours studying the following:

- IT Communication Fundamentals
- Team Leading Skills
- Team Work
- Communication Skills
- Using the Internet
- Undertaking an Enterprise Activity

- Spreadsheet Software

Why Study Here?

- State of the art Esport facilities
- Highly skilled and knowledgeable staff and coaches drawn from the Esport industry with experience of competing at high levels within their chosen field
- High quality learning environments that are perfect for bringing out the best in you and your abilities
- Visits to tournaments and other Esport events regionally and nationally
- Access to retro consoles for retro gaming
- Becoming part of the Dearne Valley ‘Family’ and participating and organising cross College events
- The opportunity to represent the College as part of one its competitive Esport teams competing in regional and national events
