Construction

Plastering

Campus: Dearne Valley College
Code: D07SA04
Level: 1

About This Course

The purpose of this qualifications is to provide learners with the knowledge, skills and behaviours to progress onto further training in Plastering at Level 2, with the fundamental aim of progressing into a career within the construction industry.

What Will I Study?

The Level 1 Certificate in Plastering introduces learners to fundamental trade skills, including the professional use of specialised tools and equipment. Students will gain practical experience in applying scratch coats, floating coats, and finishing plasters. The curriculum also covers the precise application of finishing plaster onto both plasterboard and various backing plaster surfaces.

Why Study Here?

DVC offers the suitable candidate, modern construction equipment and an up-to-date workshop meeting all industry specifications. As well as industry-trained teachers

Entry Requirements

GCSE (or Equivalent) Grade 2 in English and Maths
