Construction

Plastering

Campus: Dearne Valley College
Code: D07SP01
Level: 2

About This Course

Our Level 2 course in Plastering is the ideal starting point for those looking to start their own business or any career within the world of plastering.
This course will give you an introduction to the Construction Industry and will support you in continuing to develop your practical plastering skills and a thorough understanding of the underpinning knowledge, before moving on to further study or employment.

What Will I Study?

You will study a range of topics including:

- Health, Safety and Welfare in Construction and Associated Industries
- Principles of Building Construction, Information and Communication
- Apply Plaster Materials to Interiors
- Fix Dry Lining and Plasterboard Products to Interiors
- Laying Sand and Cement Screeds
- Produce Reverse Moulds for Fibrous Work
- Casting and Fixing Fibrous Plasterwork
- Applying Plastering Materials to External Backgrounds.

Why Study Here?

- Train within our dedicated Construction Centre, with specialist, industry-standard workshops for Plastering, Painting and Decorating,
- Joinery and Carpentry and Bricklaying
- Fully-experienced teaching team within extensive histories as employed and self-employed construction professionals within their trades

- Access to our huge range of branded products, tools, equipment and technology to support your skills
- Gain additional, vital skills in English and Maths, employability and more to ensure you are fully-prepared for the workplace
- Take part in regular work placements within employers within the local Construction Industry to boost your skills and opportunities
- Participate in industry competitions such as Skill Build, World Skills and Inter-college challenges to build your portfolio
- Throughout the programme you will be supported in upskilling knowledge gaps using resources on Google classroom, multi-media resources, socrative and library resources.
