Health and Social Care

Access to HE Diploma in Health Science Professions - ADULTS

Campus: North Notts College - Worksop Campus
Code: W08AC01
Level: 3

About This Course

This one-year programme is designed for adults
wishing to progress to university to study professional degrees within the
health and social care sector.
The course will equip you with the fundamental knowledge, skills and
behaviours required to help you progress to the next steps to become the social
workers, nurses, midwives, paramedics and the allied health professionals of the
future.

What Will I Study?

- Biology/Science
- Psychology
- Health
- Study skills

Why Study Here?

Our learners have successfully progressed onto a wide range degree programmes
at a variety different universities across the country.

You will be encouraged to gain experiences linked to the health and social care sector, and to develop your knowledge, skills and behaviour specific to the subjects you are studying.

Entry Requirements

- GCSE English and maths at grade C/4 or above
- A maths functional skills qualification may be accepted following discussion with the course leader
