Additional Information

As you will need to show that you are competent in both theory and skills you are required to either be working in the industry or able to complete a practical placement during your time on the study programme. It is recommended to show you have acquired the necessary elements you would complete 100 hours on a placement in a real work environment.

PLEASE NOTE

We make every effort to ensure information within our online course directory is accurate and a true representation of the courses we are offering in 2027-28. However, we do reserve the right to make changes if necessary..
