Animal Care and Land-based Industries

Award In The Principles of Safe Handling and Application of Pesticides

Campus: Dearne Valley College
Code: D10SP11
Level: 2

About This Course

This unit is designed specifically for those who wish to understand the principles of safe handling and application of professional pesticide products. It is a legal requirement under the Plant Protection Products (Sustainable Use) Regulations (2012) to hold an approved qualification. The unit is for individuals whose job involves applying professional pesticide products. You will need to undertake the foundation module (PA1) plus a relevant application module (i.e. PA2, PA3, PA4, PA6). The PA1 on its own is not a recognised certificate of competence.

What Will I Study?

You will study the following topics:

- Legislative, regulatory, and Codes of Practice (CoP) requirements relating to the use of pesticides.
- The relevance of information on product labels and Safety Data Sheets (SDS).
- How to minimise the risk of human contamination and implement emergency procedures.
- How to store and transport pesticides safely.
- How to manage and dispose of surplus pesticide and waste materials.
- Record keeping requirements for pesticide products.
- How to minimise the risk of environmental contamination and implement emergency procedures.

Why Study Here?

Practical, Industry-Relevant Learning

At Dearne Valley College, you will gain hands-on experience working on our 12-acre land to develop your knowledge and skills. You will be taught by experienced tutors with qualifications and relevant industry experience.

Entry Requirements

Good maths and literacy skills. Familiar with ICT usage, as there is an online exam. The minimum age for candidates is 16 years.

How To Apply

You can apply using our online application form and clicking the **Apply Now** button at the top of this page.

For more information support with your enquiry or application please contact Student Services by emailing learn@dearne-coll.ac.uk or by calling **01709 513333**.

What Courses Can I Progress Onto?

A candidate who has successfully achieved PA1 can progress onto one of the further Certificates of Competence (CoCs) within the pesticides suite (0216-74 to 0216-87)

Tuition Fees

??175

Additional Information

You will be required to read chemical manufacturer guides and undertake an online exam. NPTC regulations do not allow candidates to have a reader for the exam.

PLEASE NOTE

We make every effort to ensure information within our online course directory is accurate and a true representation of the courses we are offering in 2027-28 However, we do reserve the right to make changes if necessary.
