

Health and Social Care

Adult Care Worker Apprenticeship

Campus: Rotherham College

Code: RFEHS005*

Level: 2

About This Course

This course is for frontline staff who help adults with care and support to achieve their personal goals and live as independently and safely as possible.

An Adult Care Worker may work in a residential or nursing home, domiciliary care, day centre, a person's own home or some clinical healthcare settings, including Personal Assistants.

The course will help the Adult Care Worker to make a positive difference to service users lives when they are faced with physical, practical, social, emotional or intellectual challenges.

What Will I Study?

Adult care workers will know and understand:

- Their Tasks and Responsibilities
- The Importance of having the Right Values and Behaviours
- The Importance of Communication
- How to Support Individuals to Remain Safe from Harm
- How to Promote Health and Wellbeing
- How to Work Professionally, including their own Professional Development

Skills expected of all adult care workers carrying out their role:

- Undertake the Main Tasks and Responsibilities according to their Job Role
- Treat People with Respect and Dignity and Honour their Human Rights
- Communicate Clearly and Responsibly
- Support Individuals to Remain Safe from Harm
- Champion Health and Wellbeing

- Work Professionally and Seek Professional Development

Why Study Here?

- When you study with us you will be taught by staff with a wealth of experience from the sector. They will support your professional development
- The course is delivered via blended learning, online, and face to face within groups and on a one-to-one basis
- Attending College will give you the opportunity to share best practice and your experiences with your peers
- You will be given access to all College facilities, including our enrichment programme, and will be issued with a Student card
- You will work with employers to gain hands-on experience in the Adult Care sector and earn a salary while you learn
- You will learn new Knowledge, Skills and Behaviours and be able to transfer these skills into your working practice
- Access to a highly qualified Functional Skills team that will provide any support you need with your English and maths

Entry Requirements

- No formal entry requirements
- You must be employed in an adult care setting
- You will undertake an interview and diagnostic tests before starting the course
