Business Start-up

Campus: University Centre Rotherham

Code: RACBA007*

About This Course

What does a small business need to take into consideration at the early stages? Do you have a plan? Do you understand financial concepts?

This short course will help you develop your understanding of the key requirements to building a successful business. You will gain knowledge of administration and financial management and the challenges you may face to put your plan into action.

What Will I Study?

- Business planning
- Managing your time and tasks effectively
- Financial planning
- Effective cash management
- Tax calculations and national Insurance
- How VAT works
- HMRC self-assessment

Why Study Here?

We have excellent links with employers who support the delivery of our courses
