

Early Years and Education

Entry Level Caring for Children

Campus: Rotherham College

Code: RFECC006#

About This Course

This qualification is designed to stimulate interest and encourage a learner's understanding of the skills needed to care for a baby or young child. It is aimed at young people or adults needing to develop life skills.

What Will I Study?

You will study a range of topics including:

- Confidence building for the young child through play
- Listening to and talking with a young child
- Providing a safe and hygienic environment for a young child
- Routines for a young child
- Play and learning in the home
- Healthy Lifestyles including contraception information

Why Study Here?

- Support to progress onto a suitable Level 1 course to achieve your ambitions.
- Lecturers have vocational experience in a range of professions in the workforce and have been employed in various organisations within each of the sectors.
- Guest speakers from the industry.

Entry Requirements

Learners should be at least 14 years old. We do not set any other entry requirements
