About This Course

The UAL Level 4 Professional Diploma in Creative Enterprise has been designed to provide you with the skills, knowledge, and understanding necessary to develop your career as a creative professional.

This qualification provides you with an opportunity to cultivate your employability by developing your creative enterprise skills and expanding your industry contact base, all whilst developing your start-up projects and professional practice.

The course is taught by creative industry professionals who have been successful in running their own businesses or working freelance in the creative industry.

What Will I Study?

You will study a range of topics including:

- Developing and demonstrating enterprise and entrepreneurial skills necessary in the creative industries
- Developing and defining your artistic ambitions and creative ideas
- Building up your professional practice and independently initiate your creative projects
- Achieving a nationally recognised Level 4 qualification

Why Study Here?

This course is delivered by creative professionals who have and currently work in industry – allowing you to develop entrepreneurial skills and knowledge alongside your creative practice.

The course is student-focused, encouraging individualised and self-directed learning. No matter what your specialist discipline is, you will gain full mentoring to support you throughout the course.

You'll be working alongside all types of creative people, as the course is designed for those who have studied areas such as graphics, textiles, fashion, art, illustration, photography, 3D, media and business, and wish to create products, establish themselves as an artist, run their own enterprise and market their own products.
