Creative Digital Industries

Campus: Rotherham College

Code: RFEMP001#

Level: 1

About This Course

The Media and Photography programme is a one- year course which is geared to teaching you the basics of media and photography. The course is ideal for people who have an interest in the subjects but have no specialist qualifications at GCSE or A-Level.

The aim of the course is to provide you with key skills in a variety of different areas so that you can develop your own aesthetic and learn how to create work in a wide range of mediums. You will be supported by specialist staff that will encourage learning and development of your skills, leading to independent thinking.

What Will I Study?

You will study a range of topics including:

- Develop a range of creative digital production skills in media and photography.
- Explore the creative industries and create a range of exciting lens based outcomes.
- Develop projects working as an individual practitioner and as part of a team
- Develop an understanding of the employment opportunities in the creative sector
- Develop your awareness of the world of media and photography through practical work and visits
- Produce work to be displayed as part of our end of year exhibition

Why Study Here?

- On this course you will work with industry-standard facilities and be taught by a range of industry professionals in
- Media Production and photography.
- You will have access to industry standard studios spaces and equipment.
- You will work on a range of exciting, dynamic and challenging briefs, which will encourage you to think creatively
