

Construction

Diploma in Bricklaying

Campus: Rotherham College

Code: RFECN010#

Level: 3

About This Course

This one-year course is designed to provide you with the knowledge, understanding and skills to become a qualified bricklayer.

You will be shown how to use a range of specialised brickwork techniques, develop employability skills and meet key employers in the trade.

What Will I Study?

You will study a range of topics including:

- Repair and maintain masonry structures
- Health, safety and welfare in construction and associated industries
- Analysing the construction industry and built environment
- Analysing technical information, quantities and communication with others
- Construct decorative features
- Construct complex masonry structures
- Construct chimneys and fireplace structures

Why Study Here?

You will have the opportunity to:

- Work in industry-standard facilities at our Construction Centre
- Learn from industry professionals
- Develop wider skills such as employability and teamwork
- Undertake work placements wherever possible
- Participate in industry competitions and inter-college challenges

Entry Requirements

- Level 2 in Bricklaying
- Other relevant experience and qualifications will be considered on an individual basis
- GCSE English and Maths can be studied alongside your chosen course
- You will also undertake initial diagnostic tests and interview before starting the course

How To Apply

You can apply using our online application form and clicking the **Apply Now** button at the top of this page.
